# ROYAL INSURANCE CO., LTD.

(INCORPORATED IN GREAT BRITAIN.)

## SPECIAL NOTES.

**A FIRE POLICY** will protect your property, including personal effects, against Loss by Fire.

**A LIFE POLICY** in the "ROYAL" is a compulsory saving affording immediate provision for your family, and in case of your death secures their independence. The Premiums are not heavy, and the small sums invested periodically are not felt.

For sixty years the "Royal" maintained an unbroken bonus record of £1-10-0 per cent. per annum, in spite of the fluctuations in the yield on investments caused by war and industrial disputes. This alone is an incontrovertible proof of the Company's security, for which the conservative investment policy adopted by its Directors is responsible.

Since the Bonus Declaration in 1925, the Interim Bonuses declared each year have consistently increased, until in 1930, when the results of the past five years' working were examined, it was found possible to declare a Reversionary Bonus of £2-2-0 per cent. per annum in respect of the past quinquennium. That this increased rate of bonus has in no way impaired the Company's future bonus prospects is evidenced by the fact that the Interim Bonus declared in respect of policies becoming claims during the year 1930 is at the rate of £2-5-0 per cent and, in view of the Company's past record, it can safely be assumed that future bonuses will not fall below this figure.

**MARINE.** A "ROYAL" Policy covering personal baggage in transit by rail and/or steamer is a safeguard against loss.

**MOTOR VEHICLES.** The "ROYAL" issues Comprehensive Policies covering Private or Business Cars, Commercial Vehicles and Motor Cycles, which afford the Insured protection at moderate rates.

**WORKMEN'S COMPENSATION.**—Rates for this class of Insurance will be quoted on application.

*Forms and Prospectuses can be supplied from any of the Company's Agents throughout India and Burma, or from:*
